Iraq Union Solidarity is a grassroots network of trade unionists set up to support, fundraise and co-ordinate efforts to support the Iraqi trade union movement, in line with TUC policy. We ask for an affiliation fee of £5 for a year in order to cover the costs of our meetings and mailings. We encourage organisations to contribute more, and will forward any amount sent to us above the basic £5 to the TUC Iraq Appeal in order to assist trade unionists in Iraq. Cheques payable to "Iraq Union Solidarity", please.
